The undersigned below:

Employee Number : 110731
Position : Rector of Institut Bisnis dan Informatika Stikom Surabaya

Based on the acknowledgment letter from the Education and Culture Ministry of Republic Indonesia No. 378/E/O/2014, 4 September 2014, the status of "Sekolah Tinggi Manajemen Informatika & Teknik Komputer Surabaya" has been leveraged to become "Institut Bisnis dan Informatika Stikom Surabaya" (University Identification Number: 072016).

Related to the above name amendment, all data about the Institut Bisnis dan Informatika Stikom Surabaya can be accessed from database of the Higher Education Directorate General through <http://forlap.ristekdikti.go.id> using both of the previous and new name as follows:

Name : STMIK Surabaya

Or

I hope this letter will be able to clarify some bewilderment about our institution name.
